Trian invests in a concentrated portfolio of undervalued and underperforming public companies, typically within the Consumer, Industrial, and Financial Services sectors, where it aims to enhance long-term shareholder value through operational and strategic initiatives.

High Quality Companies

Our focus on high-quality, mid-to-large cap companies with time-tested business models offers a **favorable risk/reward dynamic** and less competition among peers given barriers to entry

Long-Term, Operational Focus

Our private equity-like, operations-centric investment process is designed to generate **income statement initiatives focused on driving earnings growth** over the long term

Collaborative Engagement

Our approach as a **highly engaged shareowner** with significant reputational capital allows Trian to build trust with management teams, boards and other stakeholders

Long Duration Capital liquidity of firm assets

~78%
capital committed for 3 years+
(excludes Trian Affiliate investments)

High Quality Investors AUM by client type

~82%

Selected Core Trian Investments Since Inception (as of June 1, 2020)

The companies shown on this page reflect all of the investments made by Trian since Trian's inception: (i) for which Trian has filed a Schedule 13D or 13G or made a similar non-U.S. filing or other notification with respect to its investment in the company; or (ii) that were or are a publicly disclosed position in which funds managed by Trian invested approximately \$700 million or more of capital (the representative size of Trian's current core investments) and where Trian (x) had a designee or nominee on the Board and/or (y) wrote a "white paper" and met with management. The companies shown on this page do not represent all of the investments purchased or sold for Trian's clients and it should not be assumed that any or all of these investments were or will be profitable. While Trian expects to maintain concentrated portfolios and take an active role with respect to its investments, Trian expects to own, and in the past has owned, a number of other investments including passive investments.
