

Bringing an ownership mentality to public market investing

Trian invests in a concentrated portfolio of undervalued and underperforming public companies, typically within the Consumer, Industrial, and Financial Services sectors, where it aims to enhance long-term shareholder value through operational and strategic initiatives.

2005

founded by Nelson Peltz,
Ed Garden, Peter May

**Asymmetric
Risk/Reward**

Our focus on high-quality, mid-to-large cap companies with time-tested business models offers a **favorable risk/reward dynamic** and less competition among peers given barriers to entry

\$8.49 billion

assets under
management

**Long-Term,
Operational
Focus**

Our private equity-like, operations-centric investment process is designed to generate **income statement initiatives focused on driving earnings growth** over the long term

45 employees

15 person
investment team

**Collaborative
Engagement**

Our approach as a **highly engaged shareowner** with significant reputational capital allows Trian to build trust with management teams, boards and other stakeholders

14 years

average tenure of
Founding Partners and
Partners

ESG

Trian promotes and supports, particularly through board representation, the **implementation of ESG initiatives** that it believes will lead to improved company culture and drive long-term financial performance

Selected Core Trian Investments Since Inception (as of December 1, 2021)

The companies shown on this page reflect all of the investments made by Trian since Trian's inception in November 2005: (i) for which Trian has filed a Schedule 13D or 13G or made a similar non-U.S. filing or other notification with respect to its investment in the company; or (ii) that were or are a publicly disclosed position in which funds managed by Trian invested approximately \$700 million or more of capital and where Trian (x) had a designee or nominee on the Board and/or (y) wrote a "white paper" and met with management. The companies shown on this page do not represent all of the investments purchased or sold for Trian's clients and it should not be assumed that any or all of these investments are currently or will continue to be part of Trian's investment portfolio, or were or will be profitable. While Trian expects to maintain concentrated portfolios and take an active role with respect to its investments, Trian expects to own, and in the past has owned, a number of other investments including passive investments.
